

Design Consultancy Option 1

Initial Concepts & Ideas

This is ideal for you if:

- You'd like to see if we're a good fit before committing to a long-term relationship;
- You're just looking for some concepts and ideas that you can develop up with a builder or draftsman;
- You need a concept plan to take to your bank to obtain financing;
- You know you'll be doing things over a long period of time, so you need an overall masterplan to keep you on track.

Here are the steps involved:

Initial Consultation

Brief

Fee Proposal

Client - Consultant Agreement

Site Visit

Schematic Design

Please refer to our Guide to Commonly Used Terms for more details on each of these stages.

Design Consultancy Option 2

Step-by-Step

This is ideal for you if:

- You know you're ready to start but you'd like to take things gradually, signing up and moving through each stage separately
- You'd like the flexibility to respond as the process unfolds, and adjust the approach accordingly

Here are the steps involved:

Please refer to our Guide to Commonly Used Terms for more details on each of these stages.

Design Consultancy Option 3

The Whole Shebang

This is ideal for you if:

- You want someone to be across the whole process, from start to finish;
- You want to get started knowing all the steps you'll go through to get to the finished product;
- You're ready to start now, and keep going through each stage until the project is built.

Here are the steps involved:

Initial Consultation

Brief

Fee Proposal

Client - Consultant Agreement
